No, that won't work for me, Eugenia.

Normally, I would try to accommodate my normal Fridays off for a meeting, but that is my wedding anniversary, so I will not be able to.

Subject: grant meeting in July - date change?

Hi Rebecca, Jeryl and David,

Any chance we could push our meetings back a day? To Friday, July 28 instead of the 27th?

We could try to do an Anaconda site visit on 7/27 instead of 7/26? Mindy's husband just had a last minute work trip come up, so it would be great if we could adjust. If not, we'll work something else out.

Thanks,

Eugenia
